# Learning itinerary

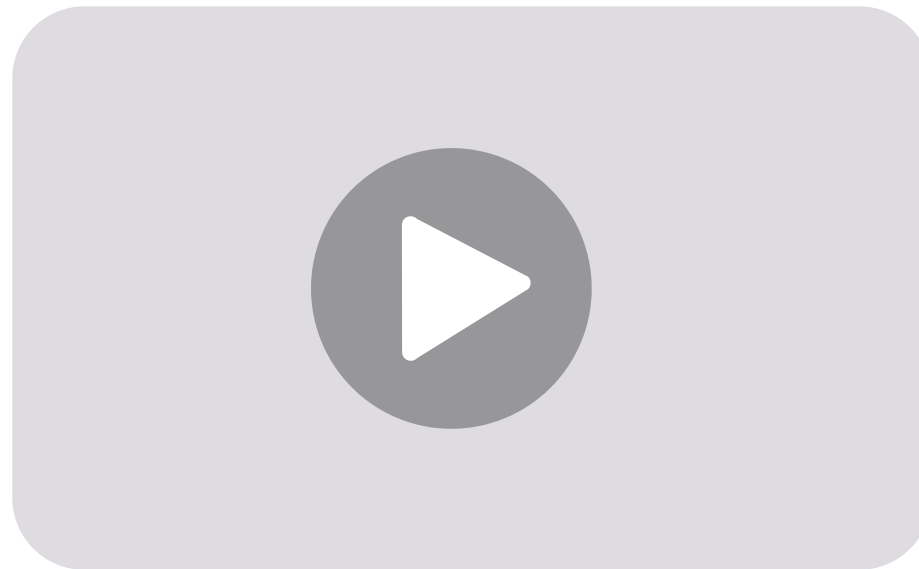

# What is money

- **Medium of exchange:** Money is what we use to buy and sell goods and services, instead of bartering directly.
- **Unit of account:** Money provides a common way to measure the value of things, like a universal price tag.
- **Store of value:** Money can be saved and used later, because it holds its value relatively well over time.

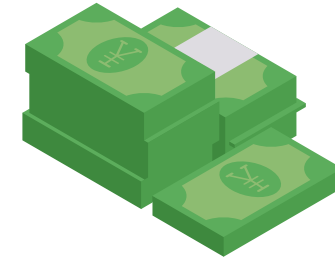

# The money system

# QUIZ

**1. What is the PRIMARY function of money?**

- ☐ To look fancy and impress people.
- ☐ To be a symbol of wealth and power.
- ☐ To be used for buying and selling goods and services.
- ☐ To be collected as a hobby.

You finished thr theory!  
Please take the quiz!
